

Hellenic Society of Biomedical Technology | Mikras Asias 35-37, 115 27, Athens

# One-day Event

*Royal Olympic Hotel (28 Ath. Diakou Str., Athens)*

12:00 - 12:05	Welcome <b>Panagiotis Bamidis</b> , President of ELEVIT, HL7 Hellas
12:05 - 13:30	<p><b>From HTA to Value-Based Procurement:</b> Making Evidence Work for Health Systems</p> <p>This session evolves around Health Technology Assessment (HTA) and Value-Based Procurement but inevitably touches upon Medical Device Regulation and Certification as well as the AI related acts and the recent efforts for the Digital OMNIBUS that attempts to provide a relief to businesses, public administrations, and citizens, as well as to boost competitiveness.</p> <p>The aim of the session is to discuss how we move to more informed, transparent, and sustainable decision-making in healthcare systems. Through a focus on digital health and biomedical technologies, it will highlight how evidence on clinical outcomes, economic impact, and real-world value can be translated into procurement practices that reward innovation while maximizing patient and system benefit. The session aims to foster dialogue among policymakers, clinicians, industry, and technology experts on aligning assessment, purchasing, and long-term value in healthcare.</p> <p>Moderator: <b>Panagiotis Bamidis</b> (President of ELEVIT, HL7 Hellas)                  Speakers:  <b>Marios Antonakakis</b>, Ass. Prof. Department of Electronics, School of Engineering, Hellenic Mediterranean University  <b>Aris Apostolou</b>, President of EKAPY  <b>Kostas Athanasakis</b>, Ass. Prof. in Health Economics &amp; Health Technology Assessment, Department of Public Health Policy, University of West Attica  <b>Ioannis Bertsatos</b>, Chair, Admin Board, HellasCert  <b>George Dafoulas</b>, Digital Health Expert &amp; Medical Technology Clinical Consultant  <b>George Haloutsos</b>, Deputy Director of Biomedical Technology, Onassio Hospital  <b>Christina Kariniotaki</b>, HELLASCERT Executive Director  <b>Nikolas Palikarakis</b>, Prof. Emeritus, President of INBIT  <b>Dimitra Pappa</b>, Managing Director &amp; President of EKAPTY</p>

The ELEVIT event is part of the official program of the ADHW Conference.

Hellenic Society of Biomedical Technology | Mikras Asias 35-37, 115 27, Athens

13:30 - 14:30	Break
14:30 – 16:00	<p><b>Telemedicine and Telecare in Practice: From Access to Integrated Care</b></p> <p>This session examines the real-world implementation of telemedicine and telecare in Greece and Cyprus, moving beyond the usual discussion of access toward integrated, patient-centred care. It will showcase practical use cases, organisational models, and lessons learned from actual practice, with emphasis on continuity of care, interoperability, and alignment with existing health services.</p> <p>Kallirhoe Hall</p> <p>Moderators: <b>Alkinoos Athanasiou</b> (Vice President ELEVIT), <b>Haralampos Karanikas</b> (HL7 Hellas BoD Member)</p> <p>Panel Discussion:</p> <p><b>George Charalampous</b>, Director of the Emergency Department at Hippokration Hospital, Athens</p> <p><b>Fotis Gonidis</b>, Digital Health Product Lead στη Gnomon Informatics SA</p> <p><b>Riana Konstantinou</b>, Director of Ambulances Directorate, SHSO</p> <p><b>Sokratis Papageorgiou</b>, Prof., Medical School National and Kapodistrian University of Athens</p> <p><b>Eleftherios Thireos</b>, Director of the National Health System, Head of the General Directorate of the Hellenic Medical Association</p>
20:00	ELEVIT Event at “IOANNIS” ROOF BAR

The ELEVIT event is part of the official program of the ADHW Conference.
